[illegible]

Hand-drawn UI mockup of an event management app. The interface includes a header bar with the text "EventApp" and five square icons. Below the header is a section titled "Manage Events". The main content area features a form titled "Add new Event" with three input fields labeled "date", "category", and "description". Below these fields are two buttons labeled "Save" and "Cancel". At the bottom of the form is an "image" label next to a square icon.
